## Counties *Life* exhibition

The Life exhibition is an exciting multi-media experience about the life of Jesus designed for primary school children which works alongside existing RE teaching.

The exhibition is offered FREE to schools thanks to the sponsorship of local churches and Counties. It is aimed at Year 5 & Year 6 pupils, although sessions can be adapted to include pupils in Year 3 & Year 4.

Using interactive tablets, colourful graphics panels, films and songs the life exhibition helps key stage 2 pupils learn about Jesus, his birth, teachings, miracles, death and resurrection.
